I have delayed answering your letters hoping that we would find some further leads in our OSS records. There is no change, however, in the statement that I made to you in my previous letter which stated that the OSS records do not reveal any service by you for that organization.

I can only suggest that you write to The Assistant Chief of Staff for Intelligence, Department of the Army, The Pentagon, Washington, D. C., 20310, since that officer now has responsibility for all G-2 activities.

Very truly yours,

STATINTL
